arteeternaflora@gmail.com

Introducing Eterna Flora, an artistic craft boutique headquartered in Alexânia, Goiás, founded by master artisan Ivanilde Reis and her daughter, Nayellen Carvalho, also an artisan and architect. With a unique conceptual approach, Eterna Flora seeks to "immortalize" the beauty and rusticity of natural materials through decorative ornaments.

In our portfolio, we highlight an exclusive collection of decorative necklaces predominantly crafted from buriti wood. Recognized for its lightness, clear tone, and unique beauty, buriti wood imparts a special charm and authentic connection to nature to our pieces.

Each decorative necklace is meticulously hand-carved, showcasing the craftsmanship and attention to detail that define Eterna Flora's work. With versatile designs, they can adorn doors, walls, tables, countertops, ornamental vases, and more, adding a unique and charming touch to any space.

Discover the enduring beauty of buriti wood in every piece from Eterna Flora.
