TIMBAÚBA

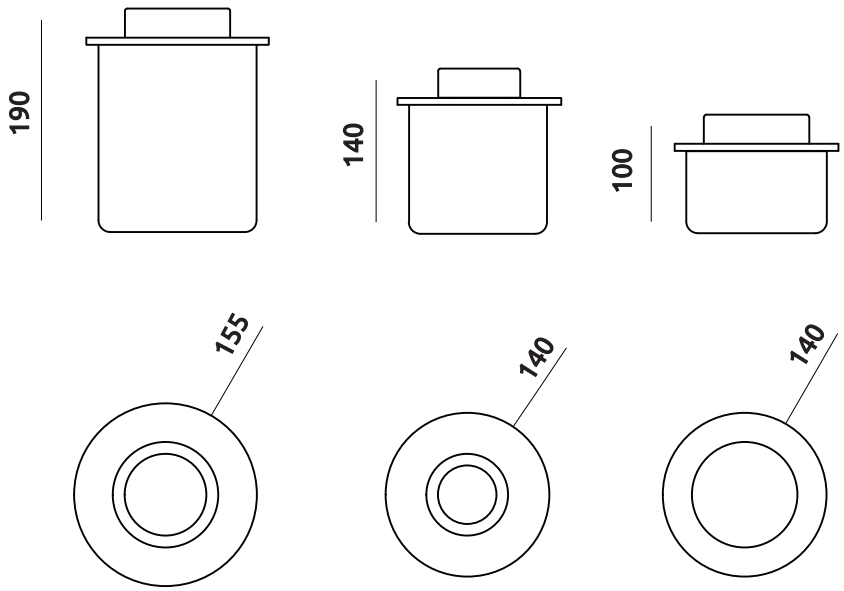
Versatile and delicate, Timbaúba is a set of storage compartments inspired by the laundresses from the 19th century with their large baskets over their heads on their way to the rivers. In three sizes, Timbaúba gets a lid that turns it into a candlestick. Accommodated on the bedside table, coffee table or coffee table, they unite beauty and design functionality in one composition.

Materials: Soapstone and wood laminated freijó

IPP01 P - 100mm
IPP01 M - 140mm
IPP01 G - 190mm



* measures in mm
